

Lucile Packard
Children's Hospital
Stanford

Dear Friend of the Palo Alto Auxiliary,

We would like to extend a special invitation to you and your organization to participate in our 4th annual **Summer Garden Party** to be held on Saturday, August 17, in Los Altos. Our auxiliary is an all-volunteer group dedicated to supporting Lucile Packard Children's Hospital Stanford which cares for children with the most complex health needs.

Lucile Packard Children's Hospital and Stanford Children's Health comprise the Bay Area's largest health care system exclusively dedicated to serving children and expectant mothers. As a top-ranked hospital, Packard Children's Hospital is a leader in providing world-class care and achieving extraordinary outcomes. As a nonprofit organization, they are committed to supporting the community through numerous outreach programs and providing medical care to children regardless of their ability to pay.

You can make a difference in the lives of children and their families at Packard Children's Hospital by supporting our **Live or Silent Auction** at this year's Summer Garden Party. This year we are specifically raising money for "Caring Hearts" a project to embrace, educate and empower families of children with chronic heart disease.

It's easy to support our efforts to help these children. You can donate online at www.paltoaltoauxiliary.com or complete the attached form and return it to P.O. Box 7064, Menlo Park, CA 94026. As a donor, you will receive recognition on our website and in our program. On behalf of the children and their families receiving care in the hospital, today and in the future, please accept our warmest thanks for your cooperation and participation.

Sincerely,

Palo Alto Auxiliary for Children
